

ENVISION THE OPPORTUNITY... EMBRACE THE CHALLENGE.

Hospitalist EMO is a physician-led organization with a strong reputation in the New York Metropolitan region for quality programs in Hospital Medicine. Our first Hospitalist program started in 2001, today we have grown to five Hospitalist programs and are poised for continued growth throughout the region. We are currently searching for a dynamic and experienced Vice President to oversee existing Hospitalist programs while leading the organization to continued growth.

The chosen candidate will have proven and effective leadership experience in Hospital Medicine and will be able to lead and guide the team of Medical Directors and staff Hospitalists at each site. A minimum of 5 years of leadership experience in Hospital Medicine is required. Preference will be given to candidates with a proven track record of developing new programs and managing multiple sites. Candidates must be Board Certified in Internal Medicine or Family Practice, an advanced management degree (MBA, MMM, MPH) is desirable.

The Vice President reports directly to the President and CEO of the company and will be responsible for the development and implementation of protocols, best practices, quality and process improvement initiatives, physician education, compliance and risk management initiatives. The individual must be a highly motivated self-starter, and capable of assisting with anticipated growth. This position will be based at our corporate office located in northern New Jersey. We are conveniently accessible to New York City, the Jersey Shore and the Pennsylvania mountains. Our location offers endless recreational, cultural and educational opportunities. Hospitalist EMO offers a competitive base salary, results oriented bonus and comprehensive benefits.
