

May 2009

Dear _____,

Twenty years have passed since we graduated from Trinity University. Longer than that if you think of the first time we met our first year roommates, ran around the stadium field for Playfair or got thrown in the Miller Fountain for a birthday. Fortunately, it's time to see each other again. **Have you made your reservation to attend our 20th reunion on November 6-8, 2009?**

If not, please mark your calendars today to return to Trinity this Fall. Information about registration, schedule of activities and events, and hotel options for the reunion is available at <http://www.trinity.edu/alumniweekend>. We have a webpage specifically for our class, including the "lost" list of our classmates with whom we have lost contact information, the biographical survey (which is enclosed but also can be completed and submitted online), and additional details, located at <http://www.trinity.edu/alumniweekend/1989.html>. You can also check out our Facebook page to catch up on photos of classmates and our growing families. You will find it under **Trinity University Class of 1989**.

We are working hard to make the weekend as kid-friendly as possible since so many of us are at that point in our lives. There will be babysitting services Saturday night and we are organizing games and activities for kids near the gazebo at the Meadows Pavilion on lower campus on the grounds of the Jesse H. Jones Recreation Area on Saturday afternoon.

Friday, November 6 – Margaritas at Tycoon Flats! Not just for the memories but also because there is a great playscape for the little ones. For those who are interested, there is an on-campus All-Alumni Gathering at the Miller Fountain from 6-8 pm. We will be at Flats from 5 pm on...

Saturday, November 7 - This is the big day: Dr. Coleen Grissom's Class in the Ruth Taylor Recital Hall in the Dicke/Smith Building, All Alumni Picnic and Artisans' Display and Sale on the grounds of the Holt Center, Games at the Meadows Pavilion for the Class of 1989 and our kids, the Trinity versus Centre football game and our Class Reunion Dinner at 6:30 pm in the Ruth Taylor Courtyard. We will have a slide show with old and new photos. *Free babysitting for ages 6 months through 12 years will be provided by APO volunteers from 6-11 pm in the Coates University Center Waxahachie and Woodlawn Rooms.*

In the meantime, we ask your help with a few items that will help us make this a memorable weekend.

1. You can help us develop the program for Saturday night's reunion by sending scanned or copied pictures from our time at Trinity. Classmates Alain Quiambao and Jennifer Gray Foucher are kindly coordinating this effort. Please forward your photos to Jennifer Foucher at jennifer.foucher@alumni.utexas.net.

2. You can help us get updated information from the "lost alumni" of 1989 by reviewing <http://www.trinity.edu/alumniweekend/1989.html> or the enclosed list. **Please send us any new contact information you may have on our "lost" alumni.**

3. You can complete the enclosed 1989 biographical survey and return it (either online or by mail) by October 7. Please note that the recent photo that the Alumni Office asks you to send with your completed survey cannot be returned. Returned surveys will be compiled into a directory and available at our reunion. Please send in the survey even if you cannot attend the Reunion!

4. Special thanks go to **Shari Male** who has graciously agreed to be the Gift Chair for our class. Working with the Development Office, Shari will coordinate the gift to Trinity from our reunion class. All contributions, including the ones you give each year, are counted and go to a good cause. You soon will be hearing from Shari about how to make a special gift to help Trinity achieve its goals. Every gift helps!

Please use the **enclosed reply envelope** to return your survey right away. Make our reunion a success by contacting your college friends, roommates, suitemates, and classmates now and encourage them to join us in the Fall. The Official Alumni Weekend 2009 brochure will be mailed later this summer. We look forward to seeing you at Trinity in November.

Sincerely,
