The 12th-ranked Tiger men's basketball team won a 73-58 decision over the University of Dallas earlier this week. Charles Houston finished with 14 points and eight rebounds, while Luke Calderera had 12 points and eight boards. Peter Garatoni scored a career-high 10 points off the bench.

Charles Houston, who reached 500 career rebounds last weekend, is now just 25 boards from reaching the top 10 in school history. Houston is only the fourth Trinity player since joining the SCAC (1991-92) to reach 500 career rebounds.

Houston also broke Trinity's single season steals record, grabbing three on Tuesday night against Dallas. The previous record of 57 was actually set by Houston in 2006-07. He is also just nine steals from breaking the career record, set by Jason Morris (2001-05).

B.J. Moon remains five assists from passing Andy Bates for 14th on Trinity's all-time list, and 12 assists from reaching 200 in his career. He is now just nine steals from becoming the eighth player in school history to reach 100 in his career.

Patrick Robinson moved into 13th place all-time with his 95th three-point field goal on Tuesday, passing Mike Mataya (1996-2000). Robinson is shooting to become the 13th player to reach 100 in a career – a mark reached by Moon earlier this season.

Trinity and Southwestern meet for the second time this season, as Trinity squeaked out a 75-73 road win over the Pirates earlier this year. Luke Calderera led the Tigers with 22 points and eight rebounds, while Dwight Lutz and Nick Polidoroff both came off the bench and scored 10 points.

The narrow margin is not a surprise in this series, though, as 19 of the past 23 meetings have been decided by less than 10 points. During that span, 15 games have been won by four or fewer points. Though Trinity has now won eight in a row and 12 of the past 13 games against Southwestern, the last two games have been decided by a total of three points.

Coach Pat Cunningham currently has 349 career wins, which includes 197 at Trinity and is the most for any Tiger head coach in history.
