Trinity (11-19, 9-5) vs. Austin College (11-23, 6-8)

2009 Trinity Softball News & Notes

Trinity swept a doubleheader from Austin College on Saturday afternoon, securing the team's spot in the SCAC Softball Tournament next weekend.

The Tigers will be the SCAC West Division's # 2 seed at the Tournament. Check online for the tournament Web site, which includes matchups and teams that have qualified.

Christina Carni and Kate Wright both collected two hits in the opening game, while Jamie Williams drove in a pair of runs. Brittany Losey earned the win, pitching five no-hit innings to start the game.

Carni had two more hits in game two and drove in four runs. Her three-run double in the bottom of the sixth completed a six-run inning that pushed Trinity to the win.

Should their current batting averages hold, Jamie Williams and Karen MacPherson would have two of the top four single season batting averages in school history. Williams is currently second with an average of .424 this year.

For a career, Williams is second all-time with a .380 batting average, while fellow senior Kate Wright is seventh. With her .318 career batting average, senior Lee Smith rounds out a senior class that has all three members in the top 10 in school history in hitting.

Williams holds the school record with 186 hits,

which also stands second in SCAC history behind another active player. Wright and Smith are also in the top six in career hits. Smith needs 15 more to crack the top five in school history, while Wright needs 16 more to tie for second.

Williams and Wright are also first and second in runs scored for a career, while Smith is also in the top 20.

All three seniors are also in the top 10 in career RBI at Trinity, with Williams needing nine more to tie for the school record.

Wright is now tied for fifth in career RBI, while Smith is just five RBI from tying for the top five as well.

The senior trio is also in the top 10 in school history in career doubles and career triples. Also, all three seniors are in the top 10 in total games played at Trinity and in total games started.

MacPherson continues to climb her way up the record books in stolen bases, improving her season total to 30 in 2009. The previous school record of 11 has been broken by both MacPherson and Rachel Garrett, who currently has 19 steals this year.

MacPherson's 30 steals are also tied for the second-most in SCAC history heading into the second, though she is second in the league this year.
