Games 13 & 14 - March 5, 2009

Trinity (2-10) vs. Evangel (9-5)

2009 Trinity Softball News & Notes

The Tiger softball team finished 1-5 over the last week, splitting a mid-week doubleheader at Texas Lutheran University, but losing all four games at the LeTourneau Tournament in Longview, Texas.

Jamie Williams is third in school history in career batting average, and needs 10 more hits this season to become the Tiger leader in career hits. Already the career leader in runs, doubles, and triples, Williams is also second in career RBI.

Lee Smith collected her 100th career hit over the weekend, becoming the 10th player in school history to reach the milestone. Christina Carni needs just eight more base-hits to do the same.

Kate Wright, currently fifth in career hits, is only seven runs from becoming the third player in school history to reach 100 in a career. She is already the career leader in steals with 30, and is tied for the single season lead with 11 stolen bases last season.

Karen MacPherson is looking to break that single season steals record, though, having swiped 10 bases in just 12 games so far this season.

Williams is currently 12th in the SCAC in batting average and third overall in total hits.

MacPherson leads the SCAC in stolen bases, while Rachel Garrett is tied for second with six steals so far this season.

Williams is attempting to become the first player since Ali Woods in 2000 and 2001 to lead the team in hitting in back-to-back seasons. Woods hit .396 in 2000, followed by a school-record .425 batting average in 2001. Williams nearly broke that single season record with her .422 average last year.

Only four other Tiger players have started more games than Williams and Wright, and the duo rank in the top 10 in total games played as well.
