Trinity (4-14, 2-0) vs. Hendrix (7-10, 0-2)

2009 Trinity Softball News & Notes

Trinity snapped its eight-game slide with a doubleheader sweep of Hendrix College on Saturday afternoon, opening up SCAC play.

After two more steals from Karen MacPherson, and three more from Rachel Garrett, the first-year duo has stolen more bases this season (30) than the entire team did in 2008.

MacPherson broke the school record for single season steals earlier this year, and continues to widen the gap. She now has 18 steals on the year.

Garrett's 12 steals also eclipse the previous school record of 11, set in 2003 and tied by Kate Wright in 2008.

With a strong day offensively, Jamie Williams is now just four hits from breaking the school record in career hits, set by Ali Woods (1999-2002).

Wright, who is the career leader in steals with over 30 in her career, also tied for fourth in career hits, drawing even with Shannon George (1999-2002), and needing 17 more to move into third place.

Christina Carni moved to within five hits of 100 in her career, which would make her the 11th player to reach that milestone.

Wright is five runs from reaching a similar career milestone, though she would become just the third player in Trinity history to reach 100 runs in a career.

MacPherson's 18 steals this season already place her fifth in career history at Trinity, while Garrett is also in the top 10 for a career.

The Tigers improved to 33-2 all-time against Hendrix with yesterday's wins. The teams split the last series in San Antonio (2007), with Trinity winning the final game to earn the split.

Williams tied Michelle Gossein (2005-08) for seventh all-time in games played at Trinity (136). Wright is not far behind in 10th place (132 games played), while Lee Smith is 11th with 126 games under her belt.
