Campus & Community Involvement
Application for Student Organization Account

This form is used to apply for a student organization bank account or to change authorized access to a current student organization bank account on campus. Authorizations for access should be completed annually or when there are any changes relating to access. Only student members of active student organizations should have access to an organization's funds. Consult www.trinity.edu/cci to identify requirements for active status.

Select the semester(s) for which this agreement applies: Fall Spring Academic Year
