# Noyce Scholarship Application

Please provide response to the following prompts in the space provided OR type responses (reference each prompt number) on attached sheets of paper. As a guide, each response should be about 250 words in length.

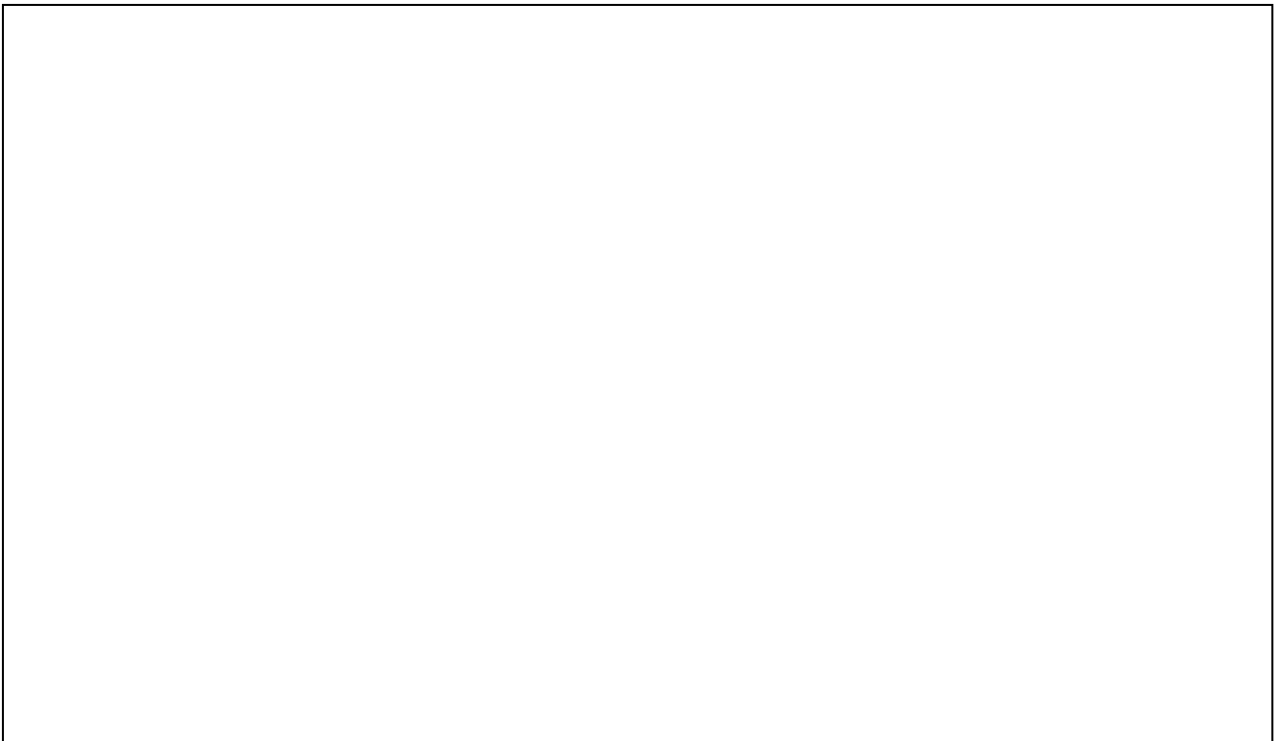

1. Applicants must possess an undergraduate and/or graduate degree with concentrations in science, technology, engineering, or mathematics (STEM). Please describe how your formal education fulfills this requirement.

2. What prompted your decision to consider a career as a classroom teacher?

3. Describe any previous teaching experience / experience working with adolescents.

4. Discuss your commitment to teach in a high-need/low-income urban school.

**Please read the following statements and sign and date where indicated below.\***

I attest that the information provided in this application is accurate and truthful to the best of my understanding.

I hereby apply for admission to the Noyce Scholarship program. I understand that changes in my status that might affect my standing in the Teacher Education Program must be reported to the Chairperson of the Department of Education. This signature authorizes the use of this material, in confidence, by professional personnel of Trinity University.

I realize that if I am awarded a Noyce Scholarship, I will be expected to teach in a high-need school for two years for each year of the scholarship award.

*\*The National Science Foundation Requires Noyce Teaching Fellows to be U.S. Citizens or Nationals. Your signature below verifies that you meet this requirement and can provide confirming documentation.*
