2009-2010 Summer Study Application for Financial Aid

Summer study financial assistance consists primarily of loans. **Merit scholarships/grants may not be used for summer study.** Students interested in borrowing through a student loan program must be enrolled in at least six semester credit hours. Need-based grant assistance may also be available on a limited basis for students who demonstrate exceptional federal need. Any federal/state grant and/or student loan amount released for summer school will reduce your eligibility for the remainder of the academic year. This reduction will not be replaced during the fall/spring semesters with gift aid. In order to receive timely notification of your summer aid award, we recommend that you electronically complete your 2009-2010 *Free Application for Federal Student Aid (FAFSA)* at www.fafsa.ed.gov and submit this application and any other requested forms by April 29, 2009.

Please forward your completed Summer Study Application to the Office of Financial Aid.
