

Advanced Placement Credit

Policies:

A maximum of 36 semester hours may be acquired through credit by examination. All credit by examination is recorded on the student's permanent record as credit (CR) without a grade and becomes part of the official transcript. No credit is valid without the student's enrollment for credit at Trinity University. Transfer credit will not be allowed for credit by examination which does not meet Trinity's requirements.

All credit by examination must be earned within the first 58 semester hours of college credit and only in disciplines in which the student does not already have credit more advanced than the level of the examination. Credit by examination may not be duplicated by subsequent enrollment in an equivalent course for credit. Upon recommendation of the student's faculty advisor and with the approval of the appropriate department, the Registrar may delete credit by examination from the permanent record to allow the student to take the equivalent course for credit. Credit earned by examination satisfies degree requirements in the same way as does credit earned by passing the course, except that it does not count as credit earned in residence. If the student takes the course for which credit has been given at entrance, the credit at entrance is deleted completely from the permanent record.

Score Requirements:

Credit for College Board Advanced Placement Examinations will be posted to the permanent record for students who score **4** or **5** on an examination as listed below:

Trinity University awards credit for only the tests listed below. If a test is not listed, no credit is awarded.

Advanced Placement Exams	Minimum Score Required	Trinity Course Equivalent	Credit Hours
Art—Studio Art Drawing	4	ART-2330—Drawing Studio: Beginning	3
Art—Art History	4	ARTH-1307—Art History I: Prehistoric to Medieval	3
Biology	4	BIOL-2301—Advanced Placement Biology	3
Chemistry	4	CHEM-1318—Chemistry in the Modern World (laboratory credit is not granted for AP Chemistry)	3
Computer Science A or AB	4	CSCI-1311—Introduction to Programming Logic	3
Economics—Microeconomics	4	ECON-1311—Principles of Microeconomics	3
Economics—Macroeconomics	4	ECON-1312—Principles of Macroeconomics	3
English—Language and Composition	5	ENGL 1302—Writing Workshop	3
English—Literature and Composition	4-5	ENGL-2301—British Literature: Epic to Romantic ENGL-2303—American Literature: Colonization to 1900 ENGL-EXEMPT (Exempted from ENGL-1302—Writing Workshop with score of 5 only)	6
French—Language	5	FREN 3301—Advanced Grammar	3
French—Literature	4	FREN 3305—Introduction to French Literature I	3
German Language	4	GERM-3301—Advanced German I	3
History—United States	5	HIST-1360—History of the U.S. Through Reconstruction HIST-1361—History of the U.S. Since Reconstruction	6
History—European	5	HIST-1334—Early Modern Europe HIST-1335—Modern Europe	6
Latin—Virgil	4	LATN-3302—Virgil and Latin Epic	3
Latin—Literature	4	LATN-4391—Selected Topics	3
Mathematics—Calculus AB	4	MATH-1311—Calculus I	3
Mathematics—Calculus BC	4	MATH-1312—Calculus II and MATH-1311—Calculus I if score on AB portion is 4 or above	3-6
Music Theory	4	MUSC-1403—Theory and Comprehensive Musicianship I	4
Physics C—Mechanics	4	PHYS-1311—Introduction to Mechanics	3
Physics C—Electricity and Magnetism*	4	PHYS-1312—Introduction to Electricity, Magnetism, & Waves	3
Political Science: Government and Politics—United States	5	PLSI-1301—American Politics	3
Political Science: Government and Politics—Comparative	5	PLSI-1331—Comparing Countries	3
Psychology	5	PSYC-1300—Principles of Psychology	3
Spanish—Language	4	SPAN-3301—Advanced Grammar	3
Spanish—Literature	4	SPAN-4391—Special Topics	3

*Student must petition the department for laboratory credit in Physics.
