Important reminder to all current students (any others receiving this, please disregard):

Thursday, September 5, is the last day of Add/Drop.

It’s imperative to verify you are correctly registered for your classes at this time. To do this, log into TigerPAWS (https://mytu.trinity.edu) and click My Class Schedule.

• Don’t use the TLearn system to verify your registration! Only TigerPAWS contains official enrollment information.

• Be sure you have dropped from your schedule any course(s) you’re not taking; all courses you are taking must be on your schedule by the end of Add/Drop. (Note: recently received Special Course Scheduling forms are still being processed -- allow a few days to appear on schedule.)

• Make sure you are registered "pass/fail" only for courses you and your advisor intended. Pass/fail grading is indicated with a P in the Pass Aud column on your schedule. P/F grading changes are not permitted on TigerPaws; please visit the Registrar’s Office for assistance. The last day to switch to or from pass/fail grading is September 18.

You will receive a grade on your transcript for all courses that remain on your TigerPAWS schedule after 11:59 p.m, Thursday, September 5; you will also be responsible for any associated tuition and fees.

Although you may have discussed being added or dropped from a course with a professor, students are ultimately responsible for ensuring their class registrations are correct. Please contact the registrar’s office or visit us in Northrup Hall if you need help. Thank you!
