Dr. Sheryl Tynes invites you to a "Life After Trinity" Panel Discussion on Wednesday, April 22, at 4:00 pm in Northrup (NH 040). The panelists will discuss a wide range of topics:

- Finding an apartment
- Networking
- Negotiating a job offer
- What to do about those pesky student loans
- Personal finance
- Information about benefits packages

We offered this program last year and it was POWERFUL. I promise you--it's worth your time!

See you there.
