SGA Senator Vacancies

Sean McCutchen <smccutch@trinity.edu>

There are currently 2 senator positions in SGA that need to be filled for next semester. SGA Senators are responsible for representing their class interests as well as the interests of the student body at large. They are also to act as an advocate on behalf of the student body in all matters concerning it.

Currently, there is a vacancy for a senator position for anyone that will be a junior next year and above a 2.5 GPA. As well, there is a vacancy for anyone that will be a sophomore next year and meet the grade requirement.

The Student Government Association will be accepting applications until Tuesday, April 28th at 11:59 PM. After this deadline, SGA will convene to discuss the candidates and schedule interviews for the final SGA meeting of the year April 29th.

Attached is the application. If interested please fill it out and send it to sga@trinity.edu or drop it off at the SGA cubicle in CCI. If you have any questions, please feel free to email me and ask.

Regards,
Sean
