

Ronald E. McNair
Postbaccalaureate Achievement Program
Research Mentor Role

Thank you for your interest in serving as a McNair Scholar Research Mentor. The ten-week research program will start on May 27, 2009 and end on July 31, 2009.

During the summer, research mentors will:

- Meet with Scholars to provide information about their research projects;
- Help Scholar develop a proposal for their original summer research project;
- Provide necessary support and guidance leading to the completion of the Scholar's research project; and
- Help Scholars prepare research for publication and/or presentation at a professional conference or other appropriate venue.

Should you have any questions, please do not hesitate to contact me at ext. 7194 or audree.hernandez@trinity.edu or Michael Soto, Program Director, at ext. 7561 or michael.soto@trinity.edu

Respectfully,

Audree M. Hernandez
Assistant Director
