President's Note

Greetings!

I hope everyone had a terrific summer and is ready to begin a new year. Our executive board and standing committee chairs met several times over the summer to plan an exciting upcoming calendar. There is something for everyone this year whether you plan to come to all events or only have time to pick a few. TUWC is a wonderful way to enjoy "old friends", meet new colleagues in an informal setting, or volunteer your time to a worthy cause. The TUWC scholarships that we support are always appreciated by the worthy female students that the club has chosen to be recipients.

We have added some new interest groups; one being guided

Membership Open House*

tours through S.A. Art museums, chaired by Jean Heins. Ann Knoebel has some "secrets" up her sleeve as she plans the Holiday Social! Jackie Sliker has done a wonderful job putting together our social events beginning with the September 8th Open House at Janice Brazil's home.

Our TU Professors will provide 3 regular meetings and the 4th regular meeting is a super fun "Super Supper" lunch.

I look forward to seeing dear friends and meeting new friends this 2006-2007 year!

Judy White

Membership Open House Luncheon

This year's "Open House" luncheon is scheduled for **Friday, September 8, 2006** from 11:30 a.m.—1:30 p.m. at the home of Janice Brazil (150 Oakmont Court.) We would like to invite all Trinity women or spouses of Trinity faculty and staff to join us for a wonderful lunch and to learn about the Trinity University Women's Club. The primary purpose of this organization is to raise funds to provide scholarship money for deserving female

Trinity students. **But it is so much more...**It provides an opportunity to meet Trinity women from across the university, to get involved in numerous interest groups, to learn new things and to just have some fun and socialize.

So mark your calendars and come to renew your membership or bring a new colleague to see what we are all about. **(RSVP to Fran Degen by Sept. 5 at 999-8408)**

There will be potted plants for sale at the luncheon

Holiday Travels

Mary Denny has had an eventful summer traveling to Cairo to visit her new grandbaby and then on to Moscow and St. Petersburg. The rest of the summer she spent recuperating from foot surgery...on both feet! And yet another trip to Telluride over Labor Day for the Annual Film Festival.

Cindy Mundy will be traveling to Massachusetts in Sept. to celebrate her 40th High School Class Reunion.

Allan and **Nancy Novak** traveled to the interior of Mexico. They thoroughly enjoyed it and hope to return and perhaps take an immersion Spanish class. They will also travel to Georgia in September to visit daughter, Laurie Beth and two granddaughters, Blair and Fallon.

Ann Knoebel and **Judy White** attended Trinity at Chautauqua in Chautauqua New York. This is an annual week long educational and spiritual event.

After completing a kitchen remodeling project, **Melody** and **John Lindquist** rewarded themselves with two Caribbean cruises and one to Hawaii. Then traveled to New York to see exhibits at the MOMA and the MET the then on to Philadelphia.

Devon McGlasson (2003 Trinity Graduate), daughter of **Marsha McGlasson**, was in Israel on business when the current conflict began. She was in Haifa when the 1st rockets hit (only two blocks away!)

This & That

Cindy Mundy and her husband started their own heating and air business; Cobb's Heating & Air (look for their T.V. Commercials).

Congratulations! to **Barbara Ras** whose poem, "Our Flowers", appeared in the July 31, 2006 issue of the New Yorker. Also look for Barbara's new

book of poems, *One Hidden Stuff*, which is being published in the Fall by Penguin.

Linda Hyatt is anxiously awaiting the birth of her 4th grandchild in September and will be traveling to Louisiana to be with her daughter after the birth.

Judy White's niece, Allison, is living with her this year....so if anyone needs a WONDERFUL baby sitter, please call Judy (999-7345)

Jean Heins visited the Holy Land for an interface trip between Christians and Jews.

Plants, Plants, Plants

Rebecca Hazen from the Biology Department has kindly donated clippings from the greenhouse conservatorium to be used for fundraising purposes. Judy White has repotted these plants which will be up for sale at our Welcome Luncheon on Sept. 8th. So if you are a plant lover and want to decorate your home or office, come by and see what we have. After this long **“hot”** summer, I think we all have plants we need to replace.

Varieties being sold will include: Bryophyllum plants (piggy back plants), Purple Heart, Coleus, Aloe Veras, Ivy, and some cuttings from unusual plants received from the Botanical Gardens.
