Dear Alumni,

Happy New Year! Last semester we successfully inducted a strong class of eight new members and look forward to bringing in another New Active Class this Spring. We just conducted our information sessions and expect a good number of Spring rushees. Please see below for a listing of alumni programs and refer to Page 3 of this newsletter for the official Spring 2009 Calendar.

Alumni Buddy—I am looking for Alumni to correspond with our Spring 2009 New Actives. A new active will contact you via email during the semester with questions pertaining to your AKPsi and work experience. As the alumni, you are asked to respond to them in a timely fashion with advice and guidance. If interested in being paired with a Spring 2009 New Active, please contact me at lvandehe@trinity.edu.

Alumni Mentor Program — To give our current members a competitive advantage, and to provide them with valuable career guidance, the NuPi chapter would like to reach out to our alumni and ask for assistance. If you would be willing to serve as a career mentor, please send me an email. Include your Trinity major, plus any additional education received, your career field, the company you are employed by, your preferred method of contact, and any extra information you care to disclose. Active members will have access to this information in a database format and may choose to contact you with questions pertaining to your line of work. Thank you to those alumni who have already volunteered to be involved in this wonderful initiative.

Project Re-Connect — As VP of Alumni, it is my goal to re-connect with lost alumni and I need your help in getting their new information. Please see Page 2 of this newsletter for a list of alumni whose contact information I need.

Alumni Phone-a-thon — On the evenings of March 17th and March 19th, Nu Pi members will be calling Alumni asking for your fiscal support. All donations will directly benefit our Nu Pi investment fund, run by an elected committee of Active members. We will accept both credit cards, cash, and checks. More detailed information will be sent prior to the Phone-a-thon.

If you have any questions, comments, or ideas for our chapter, please feel free to contact me. I am excited about the rest of this semester and I look forward to hearing from you.

In U & I...
